Club 500 donations are in support of educational and infrastructure needs at Scotch College. Cheques should be made payable to the Scotch College Foundation. All donations to the Scotch College Foundation are fully tax deductible. Credit card deductions will occur at the end of each month and a statement issues in June summarising all payments.

one community

Students of Scotch College enjoy exploring the limitless boundaries of knowledge within exceptional learning and teaching facilities. It is a unique environment rich in natural beauty and gracious history and is at the heart of our community, one community.

An institution like Scotch is an intergenerational asset. As the current custodians, it is our responsibility to ensure the vision, passion and hard work of those before us is upheld, so that Scotch can continue to flourish and prosper for our children and their children.

We wish to invite you to be a part of the ongoing success of our community by becoming a member of Club500.

Your commitment to contribute \$500 per year will make a huge difference. This amount is fully tax-deductible and can be paid in a yearly lump sum or smaller installments. Funds raised through Club500 will be used to fund projects such as the replacement of our iconic main oval picket fence and contribute towards the redevelopment of Kallawar House for specialist classrooms in the Junior School.

Current parent, donor and Old Collegian, Andrew Freeman replied when asked why he gives to Scotch, "Why do I give? Because I cannot imagine any reason why I wouldn't."

In this spirit, We invite you to contribute to the ongoing development of the facilities and educational offerings of the school that inspires, nurtures and educates our children.

Join us by completing and returning the included form to help ensure the continuing prosperity of our community.
